Our Polyethylene woven Multi-Tarp is today's answer to old-fashioned nylon or canvas tarpaulin. Manufactured under stringent control, they're durable, water-proof, weather-resistant, yet surprisingly light. Economical and convenient, they're good for all kinds of uses.

Our P.E. Multi-Tarp comes in sizes ranging from 5' x 60' x 300' and may be made-to-order.

Each piece is available with the following specifications:

- Double-stitched hem with P.P. reinforcing rope.
- Vinyl coating on both sides.
- U V treatment on both dies.
- Heat-sealed seams.
- Rust-resistant grommets on sides and corners.

We offers a line of flame retardent vinyl coated and laminated fabrics. These products meet the National Safety requirements.
